

**St. Michael the Archangel Catholic High School**  
**2018 Summer Courses for 2018-2019 School Year**

SMA will offer the following courses over the summer for the 2018-2019 school year. All courses will cost \$150 each, and will take place at SMA unless otherwise noted.

- Personal Finance
- Animation and Digital Presentations
- Introduction to Algebra Summer Course
- Physical Education

**Personal Finance**

Credit: .5  
Class structure: Largely online, meeting once per week  
Class start date: Monday, June 4  
Meeting dates: Thursdays, June 7, June 14, June 21, June 28  
Time: TBA  
Instructor: Mrs. Mary Groshong  
Location: SMA room 110

Learn personal finance and master important money topics that build financial confidence. Lessons feature video lessons taught by Dave Ramsey and his team of experts.

**Animation and Digital Presentations**

Credit: .5 Practical or Fine Art  
Class structure: Course will be taught online  
Time: TBA  
Instructor: Mr. Richard Raney

This online summer course will count as either a Practical Art or Fine Art credit. Students will learn how to create, edit, and present beautiful animated presentations through online tutorials. Each student will learn techniques that will wow viewers and make their future presentations a hit for any situation. This will be an online class offered during the summer. A final presentation will be assigned a specific time and date that must be accomplished to earn credit. Please check out the Google Classroom folder to view a video showing a few of the projects we will be creating in this course. To view the video, join the class and the code is: **2pazus**. Class Outline is as follows:

- Interface
- Adding Text and Shapes
- Working with Pictures
- Animations and Transitions
- Slide Task
- Final Presentation

**Introduction to Algebra Summer Course**

Meeting dates: June 4<sup>th</sup> – June 28<sup>th</sup>  
Time: 9:00am – 11:00am Mon – Thurs  
Instructor: Mrs. Mary Kroening  
Who: Incoming Freshmen

This will be a 4-week introduction into Algebra 1. Over the 4 weeks we hope that you will maintain a 75% average. There will be daily homework assignments. A quiz will be given over the previous night's homework. There will be a final exam on the last day of this summer course. This final exam will consist of 50 questions. You will receive a grade report each week so that you are up to date with your grade. It is very important that you keep a notebook to organize daily notes, homework assignments and quizzes. Upon completion of this course, you will go into the freshmen year

confident in your ability to hand a high school Algebra I course. The following concepts will be covered: whole numbers, factoring, fractions, decimals, percents, operations with integers, operations with linear equations, solving linear equations, inequalities, coordinate system

### Summer Health Class

Credit: .5  
Meeting dates: Thursdays, June 7, June 14, June 21, June 28  
Class structure: Meet once per week with supplemental online work  
Time: 9:00 am - 11:30 am  
Instructor: Mr. Scott Lero  
Location: SMA Room 110

The Health and Wellness course is designed to enhance the awareness and knowledge of healthy lifestyle choices. This course is required and directed toward improving health knowledge through the presentation of the benefits of healthy living. The goal is to encourage students to acquire healthy attitudes and habits that maximize a healthy lifestyle.

All students are expected to bring laptops to class. Students are expected to routinely check Google classroom for course updates and assignments even when not in class. This class will be compilation of in-class assignments, quizzes, discussions and project along with a final at the end of the semester. The percentage breakdown of each weight is below:

- Assignments = 20%
- In-class discussions = 20%
- Unit quizzes = 20%
- Project = 20%
- Final Exam = 20%

For questions, contact Mr. Scott Lero via email at [slero@smacatholic.org](mailto:slero@smacatholic.org)
